

## ECO LED Flood Light

### Applications

Whether you're looking to provide the proper lighting to keep your parking lot well lit and safe, or you need to brighten up your building's exterior, it doesn't need to come with a heavy price tag up front. These ECO floodlights can cut down on your building's power consumption from month to month while still fitting within your budget. In addition, the fixture's housing and lens are sealed to an IP66 weather rating, allowing them to stand up to virtually any harsh outdoor conditions. Light up the night outside your office with cold white 5000K light; choose our ECO floods for your outdoor lighting application.

### Features

- >70 CRI
- 120° beam angle
- Weatherproof (IP66 Rating)
- Cold White Light (5000K)
- ETL pending
- 5-year warranty
