

Full Cutoff LED Wall Pack with Adjustable Head

Applications

Give your building a modern look; these luminaires provides a low-profile architectural style along with a rugged aluminum construction and multi-mount capabilities. They are easily mountable, due to their small size, coming in at less than 4 lbs. In addition to aesthetics, the housing is completely sealed and die-cast, making it tough enough to endure outdoor conditions. And, with their full cutoff design, they are dark sky compatible.

Features

- Replaces up to 250W
- Up to 10,500 lumens / 131 lm/w
- DLC Premium & UL certified
- 5-year Warranty
