DETAILS

USA MFG | 7-Year Warranty | Ultra Efficient | Unique Disc Magnets

When you choose these LEDs for illuminating your office, retail store, workshop, warehouse, or other indoor space, you will have neutral (4000K) or cool (5000K) white light brightening your commercial property and top-of-the-line efficiency reducing your energy costs.

SPECIFICATIONS

Sizes	2ft, 4ft, 8ft
Input Power	18W, 31W, 49W, 64W
Input Voltage	120-277 VAC
Light Output	18W (2ft) - 3,300 lumens 31W (4ft) - 5,730 lumens 49W (4ft) - 8,950 lumens 64W (8ft) - 11,850 lumens
Efficiency	Up to 185 lm/w
CCT	4000K, 5000K
CRI	>80
Average Lamp Life	50,000 hours
Beam Angle	120°
Dimming Capability	0-10V
Installation Method	Wire driver into your mains, attach kits to metal surface, plug kits into driver.
Qty in Package	18W - Two 2ft magnetic LED retrofit kits, an external LED driver, wire nuts, connectors and screws. 31W, 49W - Two 4ft magnetic LED retrofit kits, an external LED driver, wire nuts, connectors and screws. 64W - Four 4ft magnetic LED retrofit kits, an external LED driver, wire nuts, connectors and screws.
Warranty	7 years

18W (2ft) - 3,300 lumens

31W (4ft) - 5,730 lumens

49W (4ft) - 8,950 lumens

64W (8ft) - 11,850 lumens
