

# LED Canopy Lights

## Applications

Attractive low-profile canopy light combines looks and performance for a host of applications, including parking garages, gas station canopies, building entrances, loading docks, warehouses, corridors, and more. The sealed aluminum housing on this durable, commercial-grade canopy fixture protects against insects, dust, dirt, and weather and eliminates the need to clean inside the fixture.

## Features

- 5000K cold white light
- Sealed for use in wet locations (IP65 rating)
- 50,000-hour average operating life
- DLC Premium listed for utility rebate eligibility
- UL listed
- 5-year warranty
