DETAILS

Get the ultra-high light output of our LED high bay at the lowest cost possible by choosing this refurbished version. It outshines conventional HID high bay lamps at a fraction of the wattage, with no warm-up or restrike delays. Cutting-edge industrial design makes this high bay fixture as at home in a showroom as it is in a warehouse or shop. Take advantage of this great deal while supplies last!

SPECIFICATIONS

Input Power	120W, 150W, 200W
Input Voltage	100-277VAC
Light Output	120W - 19,200 lumens 150W - 24,000 lumens 200W - 32,000 lumens
Efficiency	120W - 149 lm/W (120° beam angle); 152 lm/W (90° beam angle); 160 lm/W (60° beam angle) 150W, 200W - 150-160 lm/W
CCT	5000K
CRI	>70
Beam Angle	120°
Recommended Installation Height	12-15 feet
Enclosure Rating	IP65
Mounting	Hook Mount / Ceiling Mounting
Dimming Capability	0-10V
Dimensions	15" dia. x 7.6" high (383 mm dia. x 193 mm high)
Certification	DLC, UL
Warranty	6 months
