DETAILS

With this LED retrofit, you can replace HID shoebox or wall pack lamps on your property without needing to replace any fixtures. During operation, this lamp will keep cool with a built-in fan and thermal sensor, ensuring a long and bright life. When compared with generic corn lamp retrofits, this lamp offers superior brightness and efficacy.

SPECIFICATIONS

Input Power	30W, 50W, 80W, 110W
Input Voltage	120-277VAC
Light Output	30W - 4,255 lumens 50W - 7,250 lumens 80W - 11,655 lumens 110W - 14,570 lumens
System Efficacy	132-146 lm/W
CCT	5000K
CRI	>80
Beam Angle	T5
Average Lamp Life	50,000 hours
Base Type	E26 Edison, E39 Mogul
Certification	DLC, UL
Warranty	5 years
